Lorna Fraser
Donald Ross
Phyllis Lemoncello
Fiona Craig
Louise Scott
Billy Taylor

Men's Team Prize – Nairn Road Runners

Geoff + Stuart + Danny

With 203 finishers crossing the line at the links to the sound of the Marching Pipes and Drums, we finally packed-up the finishing line tape after another tremendous Road Runners event. Well done to everyone involved in making Saturday's event such a success, exceeding all our expectations. We didn't get the opportunity to thank you all personally, however, can we take this opportunity on behalf of the runners and club to say a big, big THANK-YOU! for all your hard work. From those who helped bag packing and course setting on the Friday, set-up water stations at 7.30am on Saturday, course-set at 8.45am, erected marquees, took registrations, marshalled, took pics, handed out water, took times, sorted results, presented goody bags, presented awards, cleared courses and finally packed everything back in the maggot on the Sunday, and the many, many other jobs covered -

To the 50 or so volunteers who gave up their time on Friday / Saturday to make the event such an outstanding success.

THANK-YOU!

Final words go to some of the competitors – taken from the website guest book –

I was well pleased with the Half Marathon on Saturday, the organisation was superb and the route was good. Starting and finishing in the Links main arena was exhilarating. I'm currently training to get around the Marine Corps marathon in Washington in Oct. For the IDEA League, and found this as a good trainer for the event, we did camp over Friday and Sat and it rained a lot and the dog escaped in the middle of the night before the run so I'd been up 10hrs at the start of the race. Will come up and have a week's holiday next year. All you Nairnites were lovely people and live in a lovely town.
Thanks for a Great Event !!! Derek Amson

Saturday was my first half marathon, in fact furthest ever run in my life...loved it. Aimed for 2.5 hours but managed just under so really chuffed. Thanks for everyone for being very supportive. Not put me off at all, apart from aching all over today! Hope to see you all next year. Pauline Irving

Keep on running
Alistair and the Committee
